ER Angels Celebrate First Anniversary

The ER Angels held their quarterly meeting on Thursday, Dec 3, 2009. The meeting marked the first anniversary of the ER Angels program and marked the occasion with a cake.

ER Angels provide assistance to patients, families and visitors after regular business hours on weekdays and on weekends. They serve as liaisons between the ER staff and those waiting in the lobby.

“The ER Angels have been a great addition to Elmore Medical Center” stated Doreen Krabbenhoft, Development Director. “They have improved our ER customer service by assisting ER staff with communications and by keeping patients and family members informed and comforted. We are very proud of our ER Angels and look forward to growing the program as we add more volunteers.”

Anyone interested in learning more about the ER Angels program or additional volunteer opportunities at Elmore Medical Center, contact Mary Jo at 587-8401 ext 187.
